MICHAEL J. DEVRIES RETIREMENT

THANK YOU!

After 25 years of dedicated service, Mike DeVries retired from the District on June 16, 2023. Mike was the seventh General Manager for the District and served in this position for more than five years. He also served as member of the Board of Directors of Provo River Water Users Association and President of Utah Lake Water Users Association.

He started his career as an Operator and his commitment to Operations continued long after he left the department. He regularly checked-in with Operations at the end of his day, just to see how things were going. He also served as the District's first Information Systems Technician, then progressing to Information System Manager, Assistant General Manager/Information System Manager, and ultimately the District's General Manager from September 2017 until his retirement in June 2023.

His leadership was essential to maintaining reliable, high quality water service to the District's member cities and supporting staff during the unprecedented COVID-19 pandemic. Mike is uniquely people-focused and known for his consistent and enduring optimism and patience, creating a positive and supportive work environment for District staff.

The Board of Trustees and employees express our sincere appreciation for his loyalty, dedication, and commitment to the District and the public we serve.

HUMAN RESOURCES

Booth Jenson - Maintenance Tech III

Service Anniversaries

Mike Carter, 5 years, Fleet Administrator

Terry Worley, 15 years, Aqueduct Inspector

LAUNCH OF NEW EMPLOYEE SITE

The IT and Administrative departments worked together to launch a new employee intranet site. The goal of the "Employee Information Center" is to provide easy access to a variety of frequently used information, documents, and forms. The platform is easily updated and will continue to expand as other employee information needs are identified.
